three years, with year-wise figures thereof, on each route;

(c) what were the number of misses trips by the buses plying on each of those DTC routes during the last three years, year-wise and month-wise figures; and

(d) what steps Government propose to take to introduce extra buses including new ones so that the hardship of the commuters ton these routes is mitigated?

THE MINISTER OF SURFACE TRANSPORT WITH ADDITIONAL CHARGE OF THE MINISTRY OF COMMUNICATIONS (SHRI K. P. UNNIKRISHNAN): (a) There had been some dislocation and consequent deterioration in services on Route Nos. 71, 72 and 47 due to sudden withdrawals of buses by private operators and non-availability of DTC buses to provide immediate replacements. So far as Route No. 313 is concerned, some problems were experienced dur. ing 1987 due to breakdowns and.late outshedditig but the position has been corrected and services improved in the years 1988 and 1989.

(b) The information is as under:—

Route No.	1987		1988		1989	
	DTC	P.O.	DTC	P.O.	DTC	P.O.
71	1	6	1	4	3	2
72	1	3	1	3	2	-
47		4	-	3	3	1
313	5	_	*6*	_	6	_

(c) The details of trips missed by buses plyng on each of these DTC routes during the last three years, year-wise and month-wise is enclosed. (See Appendix No. CLOT, Annexure I).

(d) Due to tight fleet position there is no proposal at present to add more buses on these routes. However, as and when the fleet is augmented, additional services are provided, depending on the requirements of the routes.

Self-reliance in the field of Telephone Technology

239. SHRI BHUVNESH CHATURVEDI: Will the Minister of COMMUNICATIONS be pleased to state:

(a) what steps are being taken by Government to become self-reliant in the field of Telephone Technology; and

(b) by when self-reliance is expected to be achieved in the field?

THE MINISTER OF STEEL AND MUSES WITH ADDITIONAL CHARGE OF THE MINISTRY OF LAW AND JUSTICE (SHRI DINESH GO& WAMI); (a) Government hag set up Centre for Development of Telematics as an Autonomous Society for indigenous development of telecommunaication tion technology which covers telephone technology. Apart from the Cefl-fre for Development of Telematicses other R&D units in the country are also being encouraged in this regard,

(b) All efforts are being made towards, achieving self-reliance as early as possible.
